Join us for the roundtable organised by
Health First Europe and the TO-Reach consortium

29 January 2018 from 12.30 to 14.30
European Parliament - Room ASP A3H-1

Identifying and transferring innovation in
comparative Health Services and Systems Research

Funded as Horizon2020 project, TO-REACH aims to prepare a joint EU research initiative on health services and systems research. The discussion during the workshop will look at the potential challenges of cross-national learning and will explore the key contextual elements for transferring and introducing innovation in healthcare systems, drawing upon interim results from the TO-REACH project.

The event is kindly hosted by MEP Patrizia Toia (S&D, Italy)

12.30 – 13.00
Registration and light lunch

13.00 – 13.05
Welcoming remarks by José Inácio Faria (EPP, Portugal)

13.05 – 13.10
Introduction by John Bowis, HFE President

13.10 – 14.10
Presentations

Walter Ricciardi, Principal Investigator TO-REACH Project, President of the National Institute of Health of Italy and Member of Expert Panel on effective ways of investing in Health

Ellen Nolte and Josep Figueras, European Observatory on Health Systems and Policies

Natasha Azzopardi Muscat, President European Public Health Association (EUPHA)

14.10 – 14.30
Discussion with the audience moderated by John Bowis, HFE President

TO-REACH has received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement No 733274.
