***Innovative Health Systems Reform:
Boosting workforce to meet new demands in healthcare systems***

European health system requires a deep reconstruction to ensure its sustainability. Rethinking healthcare has become a priority. Improving the performance of primary care systems is perceived as an important challenge by a majority of EU Member States. In this frame, the EP Interest Group is delighted to invite you to join a roundtable discussion on the role of health workers to build effective and sustainable healthcare delivery in the future.

Keynote speakers:

Prof. Jan De Maeseneer, Chair of the Expert Panel on Effective ways of Investing in Health

Dr. Aurélien Perez, Policy Officer, Performance of National Health Systems Unit, DG SANTE

Followed by audience discussion.
